

# 2

Rappelling off a dam. Moulage classes. Stethoscopy. A refresher on legal issues. Two cadavers and a bunch of pig tracheas. A press conference for some solar ambulances. An exhibit hall with 170,000 square feet and thousands of visitors. Two bagpipers and a drummer and honor guards from across Texas paying tribute to the fallen. Nearly five hundred gallons of coffee. A taser or two. A heart and lung lab – all in all, more

## Celebra years of T Confe

# 5 Celebrating 25 Texas EMS Conference

than 200 classes and hands-on workshops to choose from.

And 25 years of the best Texas EMS has to offer.

If you've never been, you need to make plans to come next year. If you've been – once, twice or 25 times – thanks for your support over the years. We couldn't have done it without you.

And now... we need to get busy on Texas EMS Conference 2011!
